

MarketPlaceLehighValley.com

The 'Wikipedia' for local business: purchase and brand your own one page micro-site to help consumers find your business!

Use the site as a stand alone Web site, or
Connect it to your existing Web site and Social Media pages

1,734 million users are online per year searching through 85 million active Web sites worldwide – will local consumers find your site when searching for businesses and services?

Two year trends show a significant shift by local consumers from traditional print and radio to online resources when searching for local business – will they find you?

Phase 1: Help consumers find Chamber members by signing them up to get their own 'micro-site' in the Market Place Lehigh Valley (MPLV)

Phase 2: Promote MPLV to regional consumers as the single source to find local, trusted, reputable businesses and services

To learn more or sign-up contact your Chamber today!

Support your Chamber while helping your business by setting up your own micro-site for \$10 per month plus a one time set-up fee of \$75.
